## Delphian Club Arranges Childrens Theater Party

Saturday morning will find Marion school children at either the Ohio or Marion theater where they will be "paying" guests at the seventeenth annual benefit Christmas party given by the Delphian club.

The price of admission is a contribution of fruit, juice, fresh or canned vegetables, in fact any edible that will fit in with a Christmas dinner, the sponsors announced.

The party, which has come to be a fixed event in the holiday festivities of Marion school children up to high school age, was announced in the public and parochial schools this week through Mrs. C. F. Church, welfare chairman of the club, who also is acting as general chairman of the party.

Expecting this year as in former years are the managers of the theater who donate the theater and also provide the entertainment free of charge.

The shows will begin at 10 a. m. promptly and the children are promised some entertaining show fare by the theater managers, George E. Planck, who is in charge of arrangements at the Marion, and J. J. Hubner of the Ohio.

Assisting at the theaters will be Mrs. Louis Uhl and Mrs. C. V. Hudson and firemen from Central station. Mrs. Church is being assisted by Mrs. V. Gordon Stahl, president of the club.

The "proceeds" of the admissions will be turned over the Salvation Army to help provide Christmas dinners for the city's less fortunate families.

Aside from the Salvation Army many other welfare agencies have benefited by this club's annual Christmas party throughout the years. The idea was first presented to the club by Mrs. G. E. McCormick, a former member of the club who is now in California.

**DINNER GIVEN BY  
LIBRARY COUNCIL**

Members of the social committee, of which Miss Helen Knight is chairman, were in charge of a 6 o'clock dinner arranged for the pleasure of the library council of Thomas A. Edison Junior high school Monday night at the school building. She was assisted by Misses Bardella, Favotillo, Clara Olive, Lashley, Helen McWilliams and Janet Quigley.

The members and a guest, Raymond McNutt, were seated at a long table decorated with potted poinsettias and red candles in silver holders. At the close of the dinner an exchange of gifts was held. Miss Ethel Gann, council advisor, announced the school P-T. A. had contributed \$30 to the purchase of new books for the school library.

**\$1 VERDICT GIVEN  
IN SEDUCTION CASE**

By The Associated Press  
URBANA, O., Dec. 18.—A Champaign county jury had yesterday that Ivan "Boggs" McClellan, former professional baseball player, must pay Albert Thomas \$1 on Thomas' suit alleging alienation of Mrs. Thomas' affections.

Thomas, a farmer, had sued McClellan for \$20,000.

The jury returned a verdict stating the evidence showed seduction, but not alienation of affections. Court attaches said the jurors apparently were not familiar with an Ohio law requiring the plaintiff to pay court costs if a judgment of less than \$5 was returned.

Present were Mrs. Henry Gracely, Misses Virginia Semitt, Margaret Bauer, Isabel Bauer, Mary Carey, Edna Heller, Donna James, Joan O'Connell and Robert Kinsler. Plans were made to have sunshine sisters in the class. Refreshments were served and Christmas games played. Gifts were distributed by a Santa Claus.

ON ORCHESTRA PROGRAM**

Miss Fern Hall Will Appear With Musicians in First Concert of Season.

Appearing with the Marion Civic orchestra in its initial program of the 1935-36 season Thursday night at the First Presbyterian church will be Miss Fern Hall of Toledo, coloratura soprano.

The occasion will mark the opening of the second season for the orchestra, under the direction of Abram Ruvinsky of Columbus, and music patrons are assured an evening of meritorious entertainment.

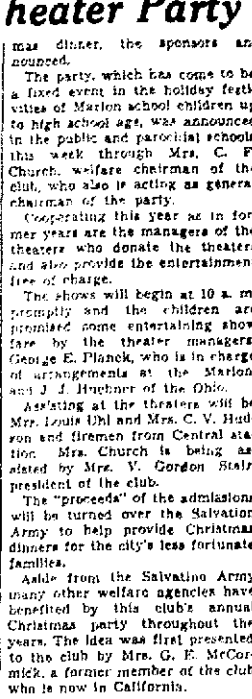

Miss Hall will present her numbers in two groups. She is prominent in music clubs in Toledo and also has appeared on programs in northern Ohio cities and in Michigan.

Critics are generous in their praise of Miss Hall, and one, Frank LaForge, describes her voice as one of great beauty. She is a pupil of Mrs. Mary Stockwell Durfee of Toledo, prominent as a soloist and voice instructor in that city and formerly of Marion.

The initial concert of the orchestra has been eagerly awaited by music lovers of Marion and vicinity who followed the members through their first season, and the many new patrons who have become interested in the organization through the sponsors, the Women's Symphony League and the civic committee of the Marion Chamber of Commerce. The civic committee of the Chamber, composed of R. T. Lewis and Dr. H. K. Mouser, were instrumental in building up a guarantor and patron list, which is responsible in no small measure for the financing of this year's series of concerts. Sharing in building up the list is Dr. Carl W. Sawyer, who early in the season, sponsored a mail campaign in the interest of financing the three concerts. Mrs. Harold K. Mouser is president of the Women's Symphony board, the sponsoring organization.

Rehearsals have been in progress for several weeks and the initial concert promises a varied and entertaining evening. Taking part in the program will be musicians from Columbus, Toledo, Findlay, Crestline, Bucyrus and other cities and villages in the vicinity of Marion.

The occasion will mark the opening of the second season for the orchestra, under the direction of Abram Ruvinsky of Columbus, and music patrons are assured an evening of meritorious entertainment.

Miss Hall will present her numbers in two groups. She is prominent in music clubs in Toledo and also has appeared on programs in northern Ohio cities and in Michigan.

Critics are generous in their praise of Miss Hall, and one, Frank LaForge, describes her voice as one of great beauty. She is a pupil of Mrs. Mary Stockwell Durfee of Toledo, prominent as a soloist and voice instructor in that city and formerly of Marion.

The initial concert of the orchestra has been eagerly awaited by music lovers of Marion and vicinity who followed the members through their first season, and the many new patrons who have become interested in the organization through the sponsors, the Women's Symphony League and the civic committee of the Marion Chamber of Commerce. The civic committee of the Chamber, composed of R. T. Lewis and Dr. H. K. Mouser, were instrumental in building up a guarantor and patron list, which is responsible in no small measure for the financing of this year's series of concerts. Sharing in building up the list is Dr. Carl W. Sawyer, who early in the season, sponsored a mail campaign in the interest of financing the three concerts. Mrs. Harold K. Mouser is president of the Women's Symphony board, the sponsoring organization.

Rehearsals have been in progress for several weeks and the initial concert promises a varied and entertaining evening. Taking part in the program will be musicians from Columbus, Toledo, Findlay, Crestline, Bucyrus and other cities and villages in the vicinity of Marion.

Officers of the orchestra are Earl Ruhman, president, Carl Corwin, vice president, Miss Lillian Lust, secretary and T. M. Cunningham, treasurer.

Doors of the church will be open at 7:30 p. m. and the concert will begin at 8:15 p. m. Single admissions will be available and tickets may be purchased from members of the board and the orchestra. Tickets also may be had at Bartlett's drug store.

## Club Federation Launches Move To Clothe Needy

**T**HE imperative need for clothing in the families of the city's needy was brought before members of the executive board of the Marion County Federation of Women's Clubs at their luncheon and business meeting yesterday at the First Presbyterian church. While there is an acute need of clothing for children and adults, the need for providing clothes for children of school age is the most imperative. It was brought out by Mrs. W. E. Orum, chairman of the education committee, who also is chairman of the federation from a standpoint of the Parent-Teacher groups.

The first step toward taking some action in providing clothing was the naming of Mrs. John Wadell as chairman of a temporary welfare committee through whom the members of the federation will act in the matter. Representatives of clubs yesterday were asked to interest their members either by contact in club meetings or by telephone in the project. Clothing, suitable for immediate wear is asked to be contributed as early as possible, and donors are asked to communicate.

### Cleveland Gets It

The Clevelanders have won the battle for the choice of the site for the new federal building. The city has secured the honor over other contenders in the state. The new building will be a landmark in the city's architecture and will provide a fine example of modern design. The city's victory is a testament to its long-standing reputation as a center of government and industry.

### Puzzled

Ethiopian people are puzzled by the government's actions. They are confused by the lack of communication and the seemingly contradictory policies. The government's failure to provide clear guidance has led to widespread uncertainty and dissatisfaction. The people are seeking answers and a more transparent approach to governance.

### Turning On Pressure

The government is turning on the pressure to achieve its goals. It is using various tactics to influence public opinion and to ensure that its policies are followed. The pressure is being applied through the media, public officials, and community leaders. The government is determined to see its plans through to the end.

### Callistas

The good folks of Texas, New Mexico, Arizona, and California are as loyal to Mexican politics as the sound of gunfire can bring them. They are deeply invested in the political landscape of the region and are passionate about their beliefs. The Callistas are a powerful force in the Southwest, and their influence is felt in every corner of the area.

### The True Christmas Spirit

Christmas will not be all that it should be in Marion if any child comes to the door of the day saddened by realization that it is an occasion of happiness for one but misery for others. The true spirit of Christmas is one of generosity and compassion. It is a time to give and to receive, and to share the joy and love of the season with all who are in need.
